## Winter Carnival Raises \$1,800

The Big Brothers' Association of York County received a great boost from the boys of the School as a result of their very successful winter carnival held in February. Planned, organized and carried out by the students themselves, the day long effort produced net proceeds totalling \$1,800 after all expenses were paid. Norman Stewart, in charge of the kitchen and dining hall at S.A.C. and member of the executive of the Big Brothers Association, accepting with his "little brother" the cheque on behalf of the Association, said "this money will enable us to open up Big Brother activity in three new towns in the county." As most people know, the Big Brother movement sponsors boys who have lost their fathers.

Robert Boyd, in Grade 13 and son of Dr. and Mrs. Russell T. Boyd, Willowdale, is Chairman of the students' Public Service Committee and in charge of arrangements for the carnival. Presenting the cheque on behalf of the School to Mr. Stewart, Robert pointed out that the success of the event was largely due to the wonderful turn out of parents, Old Boys and friends in the community who gave whole hearted support to the project.

The Optimist Club of Aurora presented its "Youth of the Month" award to St. Andrew's College in March in recognition of the boys' accomplishment.

The Andrean commends the entire school for its fine effort on behalf of boys less fortunate than themselves.

## Books Needed for New Library

The new and expanded Library was opened for use just before spring vacation. St. Andrew's can be pardonably proud of this fine new facility, made possible by the generous gift of Mr. J. K. Macdonald, Chairman of the Board of Governors. It is now almost three times the size of the former Library, and includes over 40 individual study carrels, seminar rooms, Librarian's office and workroom, audio visual equipment centre, storeroom, as well as greatly enlarged shelf space for books. The A V Centre includes a video tape recorder, tapes, films and slides on a variety of subjects. There is an informal reading area with large cushions on the floor which seems to be very popular. The Honour Boards perpetuating the names of students who have distinguished themselves at S.A.C. have been rearranged, and are handsomely incorporated in the overall colour scheme of soft beige and white. The entire floor is broadloomed in crimson. The Library is really most impressive and well worth a visit to see.

With additional shelf space available but still a limited budget for purchase of books, Association members are asked to consider donations of books suitable for students up to college level. Such an opportunity comes up sometimes when family estates are being broken up and household effects distributed.

The Library now has shelf space for 10,000 volumes plus but only about 4500 on hand. Unfortunately, too, many of these are in poor condition and some no longer of much use. Budget limitations do not allow for purchase of current fiction. Such books including paper backs in good repair would be welcome.

## June Ball

Members of the Guild prepare invitations for mailing. Clockwise Mrs. George Kitchen, Mrs. Spencer Kerr, Mrs. F. A. Walden, Mrs. Don Little, Mrs. Murray Pickard, Mrs. C. Minichiello, Mrs. W. B. McClintock, Mrs. Gary West, Mrs. John Freitag, Mrs. J. A. Bennet.

The invitations are out and a hard working committee of the Ladies Guild under the chairmanship (chairwoman-ship?) of Mrs. T. E. Topping is busy making preparations for the sixth annual June Ball, to be held this year on Friday, June 11th at the School. Members of the Committee include Mrs. D. L. Little, Mrs. J. E. Long, Mrs. D. H. Featherstonhaugh, Mrs. G. H. Kitchen, Mrs. R. Grass, Mrs. C. P. Manchee and Mrs. R. Wall.

This event has proven to be tremendously popular and a fitting climax to the S.A.C. year. Last year in fact it was a complete sell out, so be sure and get your request for tickets in early. Net proceeds go to the School's scholarship fund.

Cocktails outside on the quad, mouth watering buffet dinner in the Great Hall, dancing to the music of Frank Bogart's orchestra and for Scottish dancing buffs Pipe Major Ross Stewart and the 48th Highlanders' pipes and drums, are the ingredients for a wonderful evening.

A Scottish dancing practice will be held for those interested in the gymnasium at the School on Wednesday, May 26th from 8 to 10 p.m.

John Walker and Gordon Dobbin, representing the students of S.A.C., accept "Youth of the Month" award from Jack Dixon, President of Aurora Optimist Club. (Copyright photo of Aurora Banner).

### GOLF TOURNAMENT

Wednesday, August 25

Chris Rous '68 checks registrants Dan Routledge, Doug Rowan and John Carr all of '61.

George Ellsworth, Gerry Gordon '58, and John Kilpatrick '41 chat with Jim Knowles.

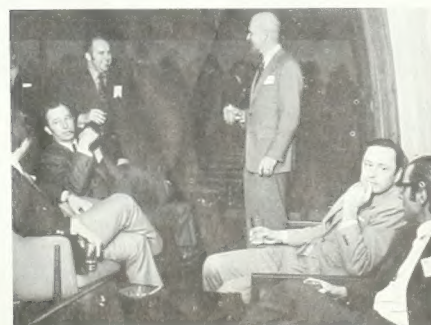

The '70's are out in force. Tony Wong, Sandy Munro, Bill Jay, John Siddall and Allan Kneale with Lloyd MacPherson. Glen Empey '68 on the extreme left piped the gathering in to dinner.

Three generations of Munros - Sandy '70, his father Bill and the latter's father Elmer '09.

Current styles in facial adornment and fashions are reflected in Jim Jackson '69 and Lynn Beaumont '68.

Relaxing with a convivial glass before dinner are Len Franceschini '52, Jim Laing '49, Bob Haynes, Fraser Grant '44, Dick Sutton '51, and Chris Smith '51.

## Association Annual Dinner

As an experiment the Dinner Committee chose a Monday night for this year's stag affair for Old Boys and fathers of students. It took place on February 22 at the Board of Trade Country Club in Woodbridge. Unfortunately that night was one of the worst of the winter - freezing rain starting around five thirty just when most were about to set out - and undoubtedly had a dampening (!) effect on attendance. Nevertheless 145 hardy souls braved the elements and turned up. From comments heard since, the majority of those present favoured the location especially with the excellent facilities and the fact that we had the Club to ourselves. Perhaps next year consideration will be given to holding the Dinner somewhat later, possibly April, to try and avoid unfavourable weather.

Dinner proceedings were chaired by Jim Laing '43, President of the Association. Vice President and father George Sara and his Committee came up with some interesting draw prizes in addition to the usual liquid variety. One lucky winner was Blair Christie '70 with one month's free board and lodging at Leisure World Nursing Homes, courtesy of father Doug MacKenzie. Blair may have to wait awhile as the award is claimable at age 80 or over! Another prize was 1000 lbs of spuds from "Big B" (father John Bosworth) Potatoes Ltd. so far unclaimed, as rumour has it the winner came on the bus.

Grand prize of the evening was a weekend for two at Sherwood Inn, Port Carling, generously donated by Old Boy Robert Day Pritchard '69.

Reverend John Wilkie, former Chaplain at the School was the speaker of the evening, and regaled the gathering with some anecdotes of his experiences at St. Andrew's and the exploits and philosophy of the Scottish doggerel poet, William McGonagall.

## Annual Giving 1971

Jim Knowles '43, Chairman of Annual Giving for the S.A.C. Association, reports that the Parents and Old Boys Committees are busy making their follow-ups to those members who still have the matter in their "pending file". He reminds everyone that the financial year end for donations ends June 30th.

The main task for the Committee is still to convince some that the Annual Giving program is a continuing one, and that an appeal goes out *each year* to all Old Boys and parents. This year an invitation to participate was also sent to parents of former students which has produced an encouraging response.

He stresses that as far as Old Boys are concerned the primary objective is to obtain as wide participation as possible and the amount of the donation is secondary. "It isn't necessary to wait until you've made your first million", Jim says, "and the majority of Old Boys should be able to spare at least a \$10. bill for their old school. Of course larger donations are welcome, too!"

Proceeds from Annual Giving are channeled into the scholarship and bursary fund to enable deserving boys to attend S.A.C. whose parents or guardians are unable to afford the school fees. The school also depends upon funds from this source to assist in meeting its mortgage interest and principal payments. Both are worthy causes and St. Andrew's, like other similar schools, looks to those who have enjoyed its benefits to ensure its continued existence. Ever since the founding of S.A.C. in 1899 the policy has been to establish the annual fee structure to cover operating costs only, so the funds for any other purpose must come from other sources.

If you haven't made your donation this year yet, will you do so now? Cheque should be made payable to the St. Andrew's College Foundation and sent to the School in Aurora. Receipts deductible for tax purposes are issued promptly.

The head Table assembles as Jim Laing '49 President of the Association consults his notes. Others from left are J. Robert Coulter, Headmaster, Rev. John M. Wilkie, speaker of the evening, B. George Lara, Vice President and Chairman of the Dinner Committee; Jim Knowles '43, Vice President; Jim Hamilton '33, Executive Director and Secretary. The other distinguished looking gentleman in dinner jacket is the maitre d'!

'66s Doug Simmons, Rick Weston, Attila Nagy and Bob Ferguson enjoy a joke with the Headmaster.

## Old Boys Hockey and Basketball

As part of the Winter Carnival activity the Old Boys annual hockey and basketball games were played on Saturday, February 6.

The Old Boys managed to come out with split on the day, the School winning the basketball game 66-48 but the Old Boys taking the hockey 7-3.

Despite the score the basketball was a closely fought affair until the fourth quarter when the superior condition of the First team showed to advantage. A big asset for the Old Boys was Dave Mann of Argonaut fame. Dave has been with the Argos so long and since he comes every year to their training camp at S.A.C. he was unanimously considered qualified to play. He is also a "Big Brother". Another "Big Brother" on the team was Doug Clark '57. The Old Boys team included Alex Dougall '68, George Dangerfield '66 Bob Perry '68, Dave Grant '67, Colin Durie '65, Doug Clark '57, Brian Wilson '70, Charlie Edwards '70, Brian Marshall '69, Ian Armstrong '68, Peter Pennal '69, John Murray '70, Phil Manchee '70, Don MacKay '70.

In hockey a strong team of Old Boys proved to be too powerful for the School First team and skated off with a convincing victory. Mr. Gage Love coached the team in masterful fashion, consisting of his four sons Gage '63, Dave '65, Peter '67 and Geoff '69 plus such other stars as Peter Rutherford '68, Doug Rowan '61, Art Kayser '61, Barry Thomson '61, Dan Routledge '61, Dave Kitchen '67, Paul Kitchen '67, Andy Rutherford '70.

## Dr. P. J. Robinson's "Georgian Bay"

The S.A.C. Association is pleased to announce that a further supply of the late Dr. Percy J. Robinson's book of verse and pen and ink drawings about Georgian Bay has been obtained from his son Gilbert.

Dr. Robinson was a master at St. Andrew's from its founding in 1899 and remained for 47 years, first as head of the Classics Dept. and then Assistant Headmaster. His charming little book was snapped up quickly when offered by the Association in 1969. All lovers of Georgian Bay will delight in the book which is available from the Association office at the School at \$5 a copy.

## Winter Term Athletics

The winter term at S.A.C. once again saw a busy schedule of athletic activity with school representative teams and house league games in hockey, basketball, swimming, fencing, judo and skiing. Out of a total enrollment of 320, 165 boys played on school teams during the term while most of the remainder were in house leagues. This is in keeping with the overall School policy of stressing the widest possible participation rather than concentration on winning teams.

However, St. Andrew's usually comes up with its share of games won and championships, and this year was no exception. The First Basketball team emerged champions of the Independent Schools A. A. for the third time in the past four years, defeating all its opponents in league play. Freshman coach Mr. Dennis Karis thus maintained the record of his predecessors, Mr. Geoff Smith and Mr. Walter Froese. The Seconds and Thirds also had excellent seasons.

Macdonald House really distinguished itself by producing an undefeated 'A' Hockey Team and Swim Team. The future for the senior teams looks bright if these boys stay together.

The Senior Swim Team relinquished its three year tenure of the I.S.A.A. title to a well balanced U.C.C. squad but hopes to be back in contention next year.

As well as organized sports a large number of boys went skiing on Sundays to the Collingwood area where conditions were ideal this past winter.

In Support of Bursaries  
Some scholars I've known, by  
scholarships blown  
To perennial students have grown.  
So now they complain, doctor-  
ate in vain,  
The government will have to  
retrain.

ALSO the following -

Previous donors get your letter,  
the disenchanted did even better.  
Non-participants got a verse  
If they don't give, may they do  
worse.

Old Boys leaving in 28

Met the depression going great  
However, since the following year  
some have seen bad luck appear.

Others lean upon excuses,  
hope tax-inflation soon reduces.  
Last year's response was poor  
indeed

Hope you have replies with speed.  
Needless to say, Bill is Year Rep.

## Gordon Roy McGregor

St. Andrew's in March of this year lost a distinguished Old Boy in Gordon Roy McGregor, C.C., O.B.E., D.F.C., LL.D. After attending S.A.C. from 1917 to 1920 Gordon went to McGill University and graduated in engineering. He then joined the Bell Telephone Co. and rose to become district manager at Kingston, Ottawa and later Montreal. During this time he was very active in flying and three times won the John Webster Trophy, generally regarded as the award to the best amateur pilot in Canada. In 1940 he enlisted in the R.C.A.F., completed his training in record time and proceeded overseas. He took part in the Battle of Britain and in October of the same year was awarded the Distinguished Flying Cross for destroying three enemy planes and damaging many others. Gordon was promoted rapidly to Wing Commander then Group Captain commanding R.C.A.F. units in Alaska and in 1944 went to Headquarters in England.

In 1945 he commanded No. 126 TAF Fighter Wing across Europe, the striking force of the British Second Army.

Following the war Gordon became General Traffic Manager of Trans Canada Airlines and in 1948 was appointed President, the job he held with great distinction for 20 years. These were the years of tremendous expansion in air travel and he is credited with bringing T.C.A. (now Air Canada) to its position of renown among airlines of the world.

In 1968, just prior to his retirement, he returned to his old school to give the Prize Day address. On that occasion he arrived by helicopter, landing on the Quad before the startled eyes of the assembled students, parents and Old Boys a few minutes before ceremonies were due to begin.

Gordon McGregor's outstanding contribution to his country was recognized when he was made a Companion of the Order of Canada in 1970.
